Southglenn Civic Association Open Forum

Wed., October 21st, 7 p.m.
at St. Timothy's Church

Linda's TidBits

Coming up is a great fall season and we are thinking we would like to do a fall festival and a pumpkin carving contest. Fremont circle is going to be doing one. If you would like to do this give me a call and if we get enough interest in this we will do it Saturday the 24th. Let me know if you are interested!

At the September meeting we had two wonderful Speakers from the Highline Bee Club Duane Duffy and Bill Hopping. They had so much information on how to become a BEE person and everything it takes to raise your own honey. It was so interesting and so much great information. If you have interest in beekeeping, go to Highlinebeeclub.com. We were so excited by all the great information, we all want to become Bee Hive people!

Our Annual Open Forum meeting is coming up OCTOBER 21ST 7p.m. AT ST TIMOTHY'S CHURCH (Dry creek and Clarkson in basement)

Our topics are:

- How you can get back to nature and do some urban farming?
- What are Centennial's regulations on all of this?
- What new stuff is happening at Southglenn and how it affects our area?
- Come and see how you can grow your own natural food! Please come join us for an Exciting night with any questions and answers that will help you find out how to get back to nature and what is going on in our neighborhood!

continued on page 2

What's New at the Southglenn!

We have a new Big Daddy's gourmet Hamburger Restaurant going in next to Macy's.

Dicks closed their doors in the middle of September. I've heard lots of speculation about what will move in, but nothing has been confirmed. It will be interesting to see what is going to go in there!

Go East Across University the New Rising bakery has the best pies ever! They are so fresh and

so delicious! They can make whatever Pie you want.

The Southglenn Mall also has A new Spa and it is a very nice Wood House Day Spa. You have to try this place; it is so great!

The new Chuck and Don's Pet Food shop that is filled with natural products west from the Corner Bakery side has lots of unique and wonderful things you need for your pet!

Don't forget October 23rd spooky streets at Southglenn Mall will be going on from 4:30 p.m. -7:30p.m. Friday night. Take the Kiddos to a safe trick or treat street on the middle parkway!

Just west of the Southglenn mall we have some more Apartments going up close to the street. If anyone was wondering? Yes they did get that approved to build so close to the street. I don't think that is going to be a very desirable place to live. It will be a noisy, busy area there on the corner, so be careful when you come out of the parking garage on Davies/Race St at the Southglenn mall.

Sometimes A Hug Is Better Than A Fight

The next time your child throws a temper tantrum, try giving a hug instead of a lecture. You might be surprised at how effective a hug can be in stopping a child in the midst of a tantrum. Hugs can defuse a child's hurt or anger, helping him or her calm down enough to listen and learn. A warm hug can then lead to a larger discussion in which your child has the opportunity to ask questions and express feelings appropriately.

Centennial Zip Code 80122 is the "It" Spot in the Nation

Realtor.com has identified the most popular ZIP Codes in the nation, where real estate supply is tight and demand is high. Located on the west side of the City near the Streets at Southglenn, homes here are snapped up faster than anywhere else in the country, spending just two weeks on the market, according to Realtor.com. Arapahoe Rescue Patrol Promotes Three Warriors

Congratulations to Arapahoe High School students Bennett Smith, Marlo Borton and Joe Brock. Smith, a sophomore, and Borton, a junior, were promoted to the rank of sergeant in the Arapahoe Rescue Patrol (ARP). The two students now have six to ten members who report to each of them. Brock, also a junior, was promoted to the rank of 1st lieutenant. He now has between thirty and fifty people who report to him, including sergeants, and is one of only three officers at ARP. He has been with the patrol since 2012 and has served more than 1200 hours of community service in a variety of missions.

The Arapahoe Rescue Patrol is the only search and rescue team in the country that is composed of and run by high school students. It is the primary search and rescue team covering Arapahoe and Elbert counties. —Littleton Public Schools

Sheriff Implements Open Burning Ban

Effective immediately (September 22), the Arapahoe County Sheriff has issued a ban on all open fires and open burning within Unincorporated Arapahoe County, to include the Cherry Creek State Park and the City of Centennial. The Open Burning Ban will remain in effect until such time as this order is formally rescinded or temporarily suspended by the Sheriff. David C. Walcher, Arapahoe County Sheriff, has determined that the existing conditions in Arapahoe County present an extreme danger for the possibility of wildfire and large wildland fires.

Prohibited open fires or open burning shall be defined as the usage of any fireworks, and any other outdoor fires including, but not limited to: campfires; fires in constructed, permanent fire pits or fire grates within developed camp and picnic grounds or recreation sites, charcoal fueled fires, warming fires; fires in outdoor wood burning stoves (chimney sparks or embers); the prescribed burning of fence lines, fence rows, fields, farmlands, rangelands, wildlands, trash or debris.

Arapahoe Library District Mill Levy Increase

Here are some facts about the Arapahoe Library District mill levy increase. It has been twelve years since the Library District has received new funding. To meet the needs of the library and the community, the Library is asking for a 1.2 mill levy increase which will be approximately \$2.39 per month for the homeowner of a \$300,000 home. The Mill Levy increase will allow the Library District to continue to:

- Provide updated books, technology and research materials;
- Partner with parents and caregivers to ensure each child has a strong start and is kindergarten ready;
- Offer literacy based programming through summer reading and story time;
- Provide a link to the outside world for home-bound individuals, and build community connections through local events;
- Increase services for our aging population;
- Ensure an adequate number of librarians so that there is always a real person to answer the phone or assist library patrons;
- Provide lifelong educational opportunities for students and adults.

This sounds like a bargain to me. Election Day is November 3, 2015. This is an all-mail ballot election and ballots will start arriving in mailboxes in mid-October.

—Dale Rottschafer

Did You Hear About the Resident Bear?

I'm sure you saw on the news about the black bear that was wandering our neighborhood last month, putting schools on precautionary lock down and making student drop-off and pick up quite a mess. If you didn't hear about the bear until it was covered on the news you should do two things:

Register on Nextdoor.com where both the sheriff's office and your neighbors provided real-time updates as to the bear's whereabouts, safety precautions, etc.

Register with the county for reverse 911 notifications via phone call or text message. The emergency notification system enables an agency within Arapahoe County to provide essential information quickly in a variety of situations, such as fires, floods, evacuation of buildings or neighborhoods, and other emergencies. Messages can be sent to all standard voice and text communication devices that you have registered in the system. The system will continue trying to contact you on these devices until it receives a confirmation from you that the message has been received. The system will not be used for weather alerts as there are varieties of other media outlets that can provide this service in a timelier manner. Residents and businesses with landline phones are already listed in Arapahoe County's 9-1-1 database and are already included in the notification system. If you would like to register additional voice and text devices, go to www.arapahoeE911.com and find the Citizen Alert button on the main page to opt in.

Stash Some Cash:

A Few Easy Ideas For Saving Money

Looking for ways to save a little money? Here are a few quick ideas that don't require very much thought or effort:

- Empty your pockets. Stash all loose change in a jar or piggy bank. You'll probably bank more than a dollar a day.
- Use your coupons. Remember to use coupons only for the things you would normally buy. Take the money you saved and stash it away. This could add up to almost \$2 a day.
- Stash a dollar a wash. Whenever you do a load of laundry, put a dollar in a jar. Use the accumulated cash for laundry detergent and utility bills.

Stay Safe On The Scariest Night Of The Year

Children and parents alike enjoy Halloween—the costumes, and the candy, and the chance to spend some time together. Just remember to keep your young trick-or-treaters safe as you go door to door. Here are some tricks for collecting treats without danger:

- **Costumes.** Whether you buy your child a costume or make one, be sure it will be highly visible to cars and passersby. Bright colors and reflective tape will help youngsters show up on the dark streets.
- **Snacks.** Serve your kids dinner or a healthy snack (and eat something yourself) before going out. Children will be less likely to gorge themselves on the candy they collect if they're already full.
- **Props.** Masks are fun as long as they don't interfere with children's vision or obstruct their breathing when walking through the neighborhood. If their costumes include canes, toy swords, or any other sort of accessory, check that they're not too difficult to carry while walking or crossing the street.
- **Route.** Decide on a clear and safe path through your neighborhood before you go out. Accompany small children, and discuss safety with older kids going out as a group. Give them flashlights and a cell phone, and carry those yourself.
- **Inspection.** Go through the bags before children eat anything, and get rid of any candy that looks suspicious. Don't let kids consume too many goodies at once—ration the candy out over a few days or weeks so they don't make themselves sick.

Avoiding The Dentist? It May Cost you

Proper dental care is important to your overall health. Unfortunately, many of us tend to avoid visiting the dentist—often because of the cost. A survey commissioned by Aspen Dental found that almost two out of five Americans have delayed needed dental work, or had it only partially performed, because of their financial situation. It's a figure that has jumped by almost 8 percent over the last two years, even though 80 percent say they're aware that staying away from the dentist will be more expensive in the long run.
