## SGCA Annual Easter Egg Hunt at Clarkson Park

Spring is in the air and as we step outside to smell those budding flowers you can almost hear the hippity hop of the Easter Bunny. As he makes his way across the world, we've made sure to book a stop for him at Clarkson Park on March 29th from 1-3 pm. Children will get to go hunting for filled Easter eggs across the park and have their picture taken with the Easter Bunny. Be sure to bring your basket and your camera!

Need a little more excitement on a Sunday? Children of all ages can participate in the downhill egg roll.

No bunny can get by without a little help from his friends. Any friends willing to help the Easter Bunny hide his eggs are welcome to stop by Clarkson Park at 11 am. Interested neighbors should contact Civic Association Chairperson Linda Nixon (LANDSnixon@msn.com).

## Southglenn's Senior Support Group

Nita Womack

Seniors, would you like to you sign up for a Meet and Greet for Southglenn for Seniors? If you sign up in the directory we will have a Meet and Greet at the library. This group would like to do things like have lunch once a week at Southglenn, have a movie night together, go places and do events together, meet and talk with each other on a monthly or weekly basis. Meetings could be held at the library or somewhere at Southglenn. We could make Goodson do some of the events that they have at the Buck center closer to us (Goodson geared for Seniors). Email Linda Nixon at LANDSnixon@msn.com or call 303-795-8083. We need your name and contact information (phone number or email) to get you signed up!

## Volunteers Needed!

Linda Nixon – SGCA Chairperson

Volunteers are so important to be able to put on the great events that we all enjoy so much. Without the volunteers, we are spread so thin with the small board we have right now and doing everything with the board members as the only worker bees it makes it very difficult. We need some new board members to help take on some of this for the future. It is impossible to do our job to the best it can be done without help! I personally stride to make our events bigger and better every time we do them and want the very best for our neighborhood. So please volunteer! And you will not only have fun building our future events but you will gain new friendships that will last forever!

In May of this year, we will vote on board members and we would love to have new board members come and be the future of Southglenn! Thank you for your support.

hard to find and lucky to have.”*

### Life Insurance Can Help You Protect Your Home

Jamie Hernandez

You and your family have worked hard to purchase your home, any rental properties, or other real estate holdings. You qualified for that mortgage due to your income level, excellent credit rating, and financial history. But what would happen if something unexpected happened to you? Besides the emotional stress, a surviving spouse may experience a significant decrease in household income that could lead to foreclosure. That's why many banks and mortgage companies encourage homeowners to purchase mortgage life insurance.

Essentially, you purchase mortgage life insurance so that in the event of a sudden death, funds are available to meet any outstanding mortgage balance. The type of insurance you purchase can greatly affect your surviving family members' options. Let's look at some options.

**Life insurance from a lender vs. an insurance company.** When you purchase insurance from a bank or mortgage company, in most cases you pay the premiums but the lender receives the proceeds at the insured's death, and your family receives the deed to the house.

However, sometimes surviving families may not want to keep their homes. They may want to move closer to other family members or relocate for different reasons like a new job. Personally owned life insurance offers more choices and control because the surviving beneficiaries—not the lender—receives the insurance proceeds. Then they decide what to do with the money, whether it's paying off the mortgage in one lump sum, continuing to pay it down periodically, or selling the house. And, personally owned life insurance is portable, which means, if you move in a few years, you won't have to replace your insurance (which could be costly). Furthermore, even after the mortgage is paid, personally owned life insurance can provide other valuable benefits.

**Make a choice today.** Whether you decide to purchase mortgage life insurance through a bank or insurance agent, the key is to be prepared. There is a real chance that someday one person will be completely responsible for your family's finances. Taking the necessary steps today can ensure your family's financial future tomorrow.

**FLEXIBLE TERMS for YOUR Individual Needs**

**Southglenn Country Club 2015!!**

*Sandy Schell – SGCC Social Committee*

This year, Southglenn Country Club celebrates its 50th year in this community! It's a great time to join the Club and take advantage of many new, exciting programs being introduced in 2015. The 2015 Club Officers and Directors include Bill Canterbury-President, Mike Elliott-Vice President, Mary Buchanan-Secretary, Barry Smith-Treasurer and Directors Sandy Schell, Pam Camelio and Javier Rivera. This year, each one brings talent and business expertise in areas that directly coincide with the Club's needs.

For a half century, Southglenn Country Club has provided recreation, fun, and camaraderie for members in this community. A professionally-designed marketing campaign is well under way, along with a fresh new look to the website. The newly formed Marketing Committee will increase over-all South Metro awareness, while adopting a value-enhanced approach to membership. **After thoughtful consideration, the Board has decided NOT to raise dues for 2015 and to offer timely, more aggressive membership promotions.** If you are considering joining a club this year, here are some important SGCC membership benefits to consider:

- **UNIQUE** - Our multiple amenities allow for use of the pool, swim lessons or swim team, play golf, take a golf lesson and meet up with your family or friends all at one facility. It's easy to spend the day with family and friends.
- **CONVENIENT** - You can play nine holes of golf comfortably in approximately 1 hour, thus preserving the ultimate currency of these days...your valuable

time. We are within walking distance from most areas of Southglenn—kids can bike to the Club.

- **AFFORDABLE** - We provide unlimited usage of amenities for a very reasonable annual fee, especially when compared to other facilities and almost any other forms of family recreation.
- **VERSATILE** - A fair, fun golf course with appeal to the beginner or seasoned player, of all ages, or players just wanting to hone short game skills, etc. Everyone who plays here can, and does, have a great time and lots of fun.
- **MANAGEABLE** - If you built a golf course today, it would look like SGCC with low overhead, a multi-functional clubhouse, snack bar, pool and a fair, yet challenging 9 hole golf course. We manage expenses prudently and wisely with consistent improvement.
- **VALUE-ADDED** - Our primary goal is to continue to increase the value of your membership. Because we are private club, we offer a safe, secure atmosphere for you and your family to relax and enjoy club activities.

**If you are a current member, don't forget to renew your membership by March 1st.** Check the mail soon for your renewal packet. The new Foundation Membership is getting a lot of interest with its excellent savings benefits. By investing in this long-term membership, there are no annual fees. This status affords you a substantial discount, plus other very important benefits. Call 303-798-1656 for details about this opportunity.
